

## Solar Street Light (SS-4M)

| Model No. | Solar Panel                                                                                                                             | Battery                                                                                                                             | Lighting Source                                                                                 | Light Body                                                                                                                                                                    | Controller                                                                                                                                                                                                                                                                                           | Performance                                                                                                                                                                                                                           | Features                                                                                                                                                                                                  |
